NOTES FOR CLIENTS:

- The form of Certificate of title requires us to give certain information and also to certify that the Company has confirmed, told us or provided information (which only the Company can provide) to us in writing.
- The confirmations given by the Company are to be given on behalf of itself and where "Seller" is defined below, on behalf of the Seller.
- If the confirmations are correct please select the 'yes/confirmed' answer. If the confirmations are not correct, select the 'no/not confirmed' answer and provide further details with any documentary evidence.
- The legal nature of the Certificate means that this questionnaire has, in places, to use legal terminology. If you have any doubts as to the meaning of any confirmation that you are being asked to give, please ask for an explanation.
- The numbering of the confirmations corresponds to the paragraph and Schedule numbering in the Certificate of title. Therefore it is not consecutive.
- For the purposes of the information checklist, it is assumed that title and any tenancy documentation has already been provided to us in full. If this is not the case please advise us.
